

19 March 1965

SUBJECT: Contract AF33(607)-12843, Additional Requirement  
MP<sup>2</sup> For Cat II Utilization

REFERENCE: MP<sup>2</sup> Review Meeting, December 1964

Dear Frank:

Pursuant to the Ref. conference this contractor is pleased to forward the attached proposal (1987J(C)), said proposal encompassing the effort necessary to have a Mission Preparation System available by 1 September 1965 for use during the Cat II phase of flight testing.

Please be advised as follows:

- (a) SPO personnel have requested and authorized implementation of the Cat II Mission Preparation effort.
- (b) The Cat II MP<sup>2</sup> requirement was not discussed or even contemplated during the CPC (Contract AF33(607)-12843) negotiations concluded in October 1964.
- (c) This contractor has incorporated the subject requirement as Item 8B under the Work Statement (1987-W-1) for the Central Processing Center, said Work Statement being forwarded to your office under separate cover.

It is trusted the contents hereof provide accurate and acceptable supporting information. In the event additional information is required please contact J. Murphy or the undersigned.

Regards,
